Dear Sir/Madam

NELSON DISTRICT LICENSING COMMITTEE ANNUAL REPORT – 2016/2017

In accordance with Section 199 of the Sale and Supply of Alcohol Act 2012 the Nelson District Licensing Committee (DLC) submits their Annual Report for 2016/2017 as follows:

1. Overview of DLC Workload

DLC Structure and Personnel

There were no changes to the District Licensing Committee in 2016/17. Members are:

Commissioner and Chair	Mr E.O.K (Oke) Blaikie
Deputy Chair	Councillor Ian Barker
Members	Mayor Rachel Reese, Deputy Mayor Paul Matheson, Councillor Kate Fulton, Mrs Gail Collingwood, Mr Derek Shaw, Mr Laurie Gabites and Mr David Lewis

DLC staff have changed with Licensing Inspector Sarah Yarrow and Licensing Administrator Mel Yeomans resigning. They have been replaced by Jeanie Hodson and Rebecca Hardiman respectively. Current staff are:

- Rebecca Hardiman, Licensing Administrator
- Jeanie Hodson, Licensing Inspector
- Stephen Lawrence, Chief Licensing Inspector
- Mandy Bishop, Secretary of the DLC

Staff Training

The Licensing Inspector attended the annual NZILLI (Institute for Licensing Inspectors) Conference. It is considered that this conference is an excellent training and networking forum.

DLC Meetings and Hearings

It has been a busy year for Temporary Authorities with the DLC meeting to consider 13 applications.

The DLC also met to consider objections to the renewal of two on licences. The licences for both were renewed with additional conditions relating to the management and control of the premises.

All other decisions have been unopposed and granted on the papers by the Commissioner.

Monitoring and Compliance

142 monitoring and compliance visits were made during the year with these being a combination of daytime inspections, after-hours compliance checks and Controlled Purchase Operations.

Four Controlled Purchase Operations were conducted during the year with a total of 70 visits made. Two alcohol sales to minors occurred – both from on licensed premises.

Five special licences were also monitored during the year.

Make Up of Licensed Premises

There are currently 38 off license premises, 112 on license premises and 18 club license premises in Nelson.

2. DLC Initiatives

Alcohol Licensing Enforcement Group

Nelson continues to be involved in the Alcohol Licensing Enforcement Group (ALEG) for the region with NZ Police, Nelson Marlborough Public Health Service and Tasman District Council meeting once a month.

The group continues to produce the "Nelson Tasman Alcohol Update". This publication is provided to all licensees in the region twice a year and includes topical information and updates on licensing matters for licensees, their managers and staff. The update provides a way of providing a consistent message for licensees regarding the expectations of the reporting agencies. The publication is available on the Council website (www.nelson.govt.nz search phrase = host responsibility).

Nelson Tasman Regional Alcohol Accord

Nelson also continues to be involved in the established (2006) Nelson Tasman Regional Alcohol Accord that meets regularly to look at new and innovative ways of dealing with alcohol problems in the community. It involves Police, District Licensing Committees (Nelson and Tasman), Councils, Health, ACC, Ambulance, Hospitality New Zealand and representatives from licensed premises.

3. Local Alcohol Policy

This is no longer on Council's work programme.

4. Current Legislation

There are no new issues over and above issues already raised in previous reports.

5. Other Matters

No other matters to report.

6. Statistical Information

Attached is the annual return and current listing of licensed premises.

Please contact myself or Licensing Inspector, Jeanie Hodson (telephone 03 546 0260), if you have any enquiries regarding this report.

Yours faithfully

Mandy Bishop
Secretary
Nelson District Licensing Committee
