The Secretary
Alcohol Regulatory and Licensing Authority
Department of Justice – Tribunals Division
PO Box 5027
WELLINGTON

Dear Sir

NELSON DISTRICT LICENSING COMMITTEE ANNUAL REPORT – 2013/2014

In accordance with Section 199 of the Sale and Supply of Alcohol Act the Nelson District Licensing Committee (DLC) submits their Annual Report for 2013/2014 as follows:

1. Overview of DLC workload

The District Licensing Committee was appointed in November 2013 with the following members:

Commissioner E.O.K (Oke) Blaikie (retired District Court Judge)

Deputy Chair Councillor Ian Barker

Members Mayor Rachel Reese, Deputy Mayor Paul Matheson, Councillor Kate Fulton, Gail Collingwood and Derek Shaw.

Long standing Licensing Inspector of 15 years, Adrienne Ward-Hamilton, retired at the end of 2013. New staff include Licensing Administrator Melanie Yeomans and Licensing Inspector Sarah Yarrow. Stephen Lawrence remains as Chief Licensing Inspector and the Secretary of the District Licensing Committee is Mandy Bishop.

There is a noticeable increase in the level of administration required under the new Act. This affects both the licensing process and the running of the District Licensing Committee itself. Required changes to processes and software to meet the requirements of the new Act have taken up a considerable amount of staff time since the new Act was passed.

The DLC has held one hearing regarding an off licence for a bottle store. The licence was granted in April 2014. The DLC met to consider a special licence application for a gala at a primary school and have also met twice to consider applications for Temporary Authorities. All other decisions have been unopposed and granted on the papers by the Commissioner.

There has been strong community interest in applications for new off licences. This has resulted in one applicant withdrawing their application and a public hearing required for another that attracted considerable public opposition. There does not appear to be the same level of community interest in applications for new on licences.

124 monitoring inspections were made during the year with those inspections being a combination of after-hours compliance checks and day visits.

There have been five Controlled Purchase Operations during the year with a total of 94 visits to premises. Of these, four premises (one club, one off-licence and two on-licences) were caught selling alcohol to underage buyers.

2. DLC Initiatives

Nelson continues to be involved in the already established (2006) Nelson Tasman Local Alcohol Accord which meets regularly to look at new and innovative ways of dealing with alcohol problems in the community. It involves Police, District Licensing Committees (Nelson and Tasman), Public Health, ACC, Ambulance and representatives of the Alcohol Industry.

Licensing Inspectors have maintained good liaison with Police, Public Health, HANZ and Tasman District Council Licensing Inspectors including attendance at the local Liquor Liaison Group meetings, Accord Meetings and separate meetings with the local enforcement agencies.

3. Local Alcohol Policy

Nelson City Council developed a draft Local Alcohol Policy (LAP) in 2013 that has been publicly consulted on. The Council has commenced deliberations on the draft policy.

4. Current Legislation

The following points are noted as some of the recurring themes for the new legislation:

- The need for a quorum of three DLC members when considering a Temporary Authority (TA) - the applicant requirements and granting criteria for a TA are significantly less than a substantial licence and it is for a short, temporary duration. It appears that the need for three members to make a decision to grant a TA has been an oversight during the drafting of the legislation; and
- The new fees regime has provoked a great deal of feedback from licence holders, both in relation to the increase in costs and that the categories and criteria for special licence classes can be interpreted in various ways. Some investigation into the way the special licence classes are being interpreted and guidance from ARLA on the appropriate way to apply the special licence classes would assist with consistency across the country. By way of example, an expo event which might attract over 1000 people altogether, but the actual numbers visiting a particular stall selling alcohol may only number 100. Should the fees be \$575 or \$63.25?

5. Other Matters

E.O.K Blaikie, Chair reports "During the first year of operation the DLC is appreciative of the support, including administrative and transcribing assistance, provided by the Nelson City Council. Particular gratitude is extended to Stephen Lawrence, Sarah Yarrow and Melanie Yeomans (Licensing personnel) and Mandy Bishop for her role as Secretary to the Committee.

More convenient access to and regular distribution of reports and decisions of significance from ARLA and other District Licensing Committees would be appreciated. I accept this will involve administrative assessment and collation by an individual or group within the Licensing structure."

6. Statistical Information

Attached is the annual return and current listing of licensed premises.

Please contact myself or Sarah Yarrow (phone 03 546 0260), if you have any enquiries regarding this report.

Yours faithfully

Mandy Bishop
Secretary
Nelson District Licensing Committee
